LOOKING FORWARD

"Go out to the roads and the country lanes and compel them to come in, so that my house will be full."

Luke 14:23

Life Point Church is embarking on an extraordinary building campaign that is set to **transform** not just the lives of our LP family, but the surrounding community. With a plan to construct 10,400 square feet of space, this project embodies our **commitment** to making a difference in people's lives. At its heart, this building will feature a cutting-edge 200-seat modular auditorium where we will come together to worship, learn, and connect. But that's just the beginning; within these walls, the **heartbeat of our church** will echo through the additional LP Kids classrooms and Dream Team area.

What truly sets this initiative apart is the reach beyond LP to **serve the community**. We're thrilled to announce that the space will house a **welcoming** coffee shop open to all, fostering community engagement. Furthermore, a state of the art co working space with 44 desks, a photo/video studio, podcast studio, and two conference rooms will be available for lease to the wider community providing an innovative environment for entrepreneurs, creatives, and Kingdom workers alike. Join us as we build not just a structure, but a **legacy of serving others** and furthering the call to share the saving power of **Jesus Christ**. Together, we can make an **eternal impact** in the lives of others with the building of this 2nd campus we will call **The Hub**.

LET'S MAKE ROOM

There are no words to express what God has done in and through Life Point throughout this last year. Your generosity is making a difference in the lives of so many people. Rachel and I are so grateful for your faithfulness to the vision and mission God has entrusted us with. Your time, talents and gifts are leaving behind a legacy for years to come.

Join us as we come together to MAKE ROOM for people to Know God, Find Freedom, Discover Their Purpose and Make A Difference! We ask that you prayerfully consider giving above and beyond what you normally give towards this Make Room Campaign and building of The Hub.

Blessings,
